Camp Kata Kani Philosophy:**

We are an outdoor summer day camp that offers boys and girls a change from the fast-paced world. This is done in a safe, positive, diverse environment. Children gain confidence while participating in new adventures in a setting that promotes mutual respect and sportsmanship. It is an experience that builds strong character and leadership skills which will benefit children throughout their life. We do this through our small group sizes, experienced staff, and dedication to enriching the lives of children.

<p>Base Camp Ages 5 to 10 With all the fun of crafts, games, field trips, archery, fishing, cook-outs and more!</p>
<p>Adventure Camp Ages 11 and 12 Includes all the fun of Base Camp with an emphasis on Outdoor Adventure experiences.</p>
<p>C.I.T. Program (Counselor in Training) Ages 13 to 15 A progressive training program that teaches new skills needed to become a camp counselor in the future. We have a new curriculum that includes developing skills in first aid, team work, leadership and group management. C.I.T.s will practice a variety of outdoor skills that will enhance their camp experience. Many C.I.T.s will find being a part of this "new" program helps them in school activities, and in future jobs.</p>
